About Me

I'm a Media Arts graduate pursuing a career in Front-End development. I'm self-taught, and always eager to learn and improve my skillset. I'm passionate about art in its many creative mediums, and combining that with my love of puzzles and problem-solving, web development has been a perfect fit for my ambitions.

Experience

Deliver Driver, UberEATS; Dallas/Fort-Worth, TX – Jan 2018–Present

Emphasis on self-motivated work ethic, facilitating communication between business and customer, navigation skills, and time management.

Cashier, Movie Trading Company; Hurst, TX – Jun 2015 - Oct 2015

Emphasis on customer service, organizing/stocking product, and store-to-store communication—often all at once in a busy sales environment.

Freight Crew, Five Below; Fort Worth, TX – Oct 2014 - May 2015

Emphasis on organizational skills, critical thinking, and time management. Completing a wide variety of stocking tasks within an allotted amount of time. Hired as seasonal, but was one of two selected to be retained afterward.

Courtesy Clerk/Service Deli, Albertsons; White Settlement, TX – Nov 2013 - May 2014

Emphasis on customer service, experiencing a wide variety of personalities in a single environment, organizational skills in high pressure environment, promptly and effectively completing assigned tasks while simultaneously responding to impromptu situations that arise. Began as Courtesy Clerk, later promoted to Service Deli.

Education

Tarrant County College, Fort Worth, TX - Editing staff at campus literary journal Marine Creek Reflections

University of North Texas, Denton, TX – Bachelor of Arts in Radio, Television, and Film (English Minor) - December 2018

Skills

HTML, CSS, JavaScript, Sass, jQuery, Bootstrap.
